Dear

On behalf of the IDWeek Program Committee, we are pleased to welcome your attendance at IDWeek 2026, taking place **Oct. 21–24, 2026**, in Washington, D.C., USA. This joint annual meeting, hosted by the Infectious Diseases Society of America, the Society for Healthcare Epidemiology of America, the HIV Medicine Association and the Pediatric Infectious Diseases Society, brings together ID health professionals of varied backgrounds for the opportunity to collaborate, connect and learn from each other's expertise for the improvement of patient care and public health.

IDWeek is unable to provide financial assistance to international registrants. We deeply value your potential contributions to the meeting and believe your attendance would greatly enrich the program.

We appreciate your interest in IDWeek 2026 and look forward to the possibility of welcoming you to this exciting event as an attendee. Please visit the IDWeek website, [idweek.org](http://idweek.org), for details about the event.

Sincerely,

IDWeek
